Sun and fun for all! Allow yourself to become enchanted by this stunningly beautiful setting and enjoy an evening with your friends or family in the unique atmosphere of our [igloo village](#). The igloo at the frozen lake Hinterstocken provides for a unique adventure and [event location](#). Lots of different and interesting winter activities like curling, ice skating and winter hiking are carried out from here. For those who prefer a more leisurely pace, enjoy the homemade white mulled wine or Tea and [cheese fondue](#) in a deck chair in the igloo bar. Welcome to nature, in the midst of a lovingly designed world of glittering snow crystals!
