Sun and fun for all! Allow yourself to become enchanted by this stunningly beautiful setting and enjoy an evening with your friends or family in the unique atmosphere of our igloo. The igloo at the frozen lake Hinterstocken provides for a unique adventure and event location. Lots of different and interesting winter activities like ice fishing, winter hiking and snowshoeing are carried out from here. But those who prefer to take things a little more leisurely can also enjoy a small snack such as Cheese Fondue or hot drinks, the sunshine and the peaceful atmosphere whilst reclining in a sun-lounger in the .
