

New Cableway @ Stockhorn!

The new modern panorama-cabins make every moment of the mountain journey an unforgettable experience!

› Start Sommersaison am 21. April 2018 - mit der neuen Stockhornbahn!

In the first four months 2018 the control system, drive system and the cableway cabins of the first section of the Stockhorn cableway have been replaced. So visitors can expect modern panorama-cabins with big windows, which make every moment of the mountain journey an unforgettable experience.
