

## Winter hiking – for nature lovers and those seeking peace and tranquility

*Experience the charm of a winter hike on our well-prepared winter walking trails and enjoy the tranquility of the Stockhorn's romantic white winter world.*

Far removed from the hustle and bustle of day-to-day life, surrounded by the tranquility of a snow-covered landscape, you'll walk along our well-prepared winter walking trails through the stunningly beautiful Stockhorn region. The romantic trails lead around the

frozen Hinterstockensee or to the idyllic "Oberbärgli" Alpine hut on the Lasenberg. An unforgettable experience of nature that will dispel everyday cares and concerns with every step that is taken.

Please inform yourself [here](#) about accessibilities.
